NEW LIFE
YOUTH

Youth Parents,

This past school year was a wonderful time of spiritual growth for our students. Our Sunday evening discussions over the Book of Genesis were very fruitful, and we look forward to resuming our weekly discipleship programming in the fall.

We're so excited for all the fun opportunities ahead of us this summer. We hope these events give the students opportunities to continue to develop friendships with one another and to serve the Lord together.

This handbook is designed to give you all the information on when and where things are happening, and if there is any cost involved. We hope this will help you plan ahead, and that your student will be as excited as we are about what's in store.

If you have any questions, please contact me. It is a wonderful privilege to partner with you in discipling your children.

Sincerely,

Jay Neisemier
Youth Coordinator

What: A three day, two night trip to Arlington, Texas to serve with Mission Arlington! Mission Arlington has served families since 1986. In addition to providing opportunities for discipleship, Mission Arlington meets real physical needs by providing health care, a dental clinic, school supplies, furniture, clothing, and even food to families that couldn't otherwise afford these things. You can learn more at www.missionarlington.org.

Our students will have the opportunity to welcome guests, organize donations (furniture, clothing, household goods, and more), and serve in the food pantry. All students will be chaperoned at all times by at least two New Life volunteers.

All meals, except lunch the first day, will be provided. Please send your student with a sack lunch on Thursday, July 20th. Before returning to College Station, we will be enjoying lunch at the top of Reunion Tower in downtown Dallas!

When: July 20th – 22nd

Where: Mission Arlington (210 W. South Street, Arlington). Mission Arlington will be providing sleeping arrangements for our volunteers and students, which will either be in the gym/fellowship hall of a partner church, or in unfurnished apartments on the property.
